

Covid-19 Vaccination FAQ

Q: How do I get informed when Conway's Pharmacies have the COVID vaccine?

We will update our social media pages including [Facebook](#) and [Instagram](#), along with our [website](#) as soon as we get word of the vaccine arrival date.

Q: When will Conway's Pharmacy get the COVID vaccine? Our pharmacies will get the COVID-19 vaccine as soon as we are notified by the Ohio Department of Health. We will be updated on a weekly basis. Check our social media and [website](#) for real-time updates.

Q: Will both locations have the COVID vaccine?

Yes, both our pharmacy locations in Danville and Mount Vernon are ready to provide the vaccine.

Q: I do not have access to the internet to schedule an appointment.

How do I get an appointment? If you do not have internet access, you can call the pharmacies and leave a message for a call back to make an appointment.

Q: Can I walk in and get the COVID vaccine at any time?

We require each patient to sign up for an appointment to receive the vaccine. When the pharmacies have the vaccine, visit our [website](#) to schedule an appointment.

Q: How much does the COVID vaccine cost?

There is no charge for the vaccination or administration of the vaccine. We will be asking for insurance cards and coverage as insurance companies will be covering the administration charge.

Q: I do not have insurance. Can I still get the COVID vaccine?

Yes, all patients can get the vaccine regardless of insurance coverage.

Q: Can I change my originally scheduled appointment for the COVID vaccine?

Your appointment times are firm and cannot be modified. If you need to cancel your appointment for an emergency please call the pharmacy.

Q. When am I eligible to receive the vaccine?

Please refer to the Ohio Department of Health's COVID-19 [vaccine webpage](#) for the latest updates on vaccine rollout phases.
